The Red and the Black Oct 19 2019 A Major New Translation The Red and the Black, Stendhal's masterpiece, is the story of Julien Sorel, a

young dreamer from the provinces, fueled by Napoleonic ideals, whose desire to make his fortune sets in motion events both mesmerizing and tragic. Sorel's quest to find himself, and the doomed love he encounters along the way, are delineated with an unprecedented psychological depth and realism. At the same time, Stendhal weaves together the social life and fraught political intrigues of post-Napoleonic France, bringing that world to unforgettable, full-color life. His portrait of Julien and early-nineteenth-century France remains an unsurpassed creation, one that brilliantly anticipates modern literature. Neglected during its time, The Red and the Black has assumed its rightful place as one of the world's great books, and Burton Raffel's extraordinary new translation, coupled with an enlightening Introduction by Diane Johnson, helps it shine more brightly than ever before.

comedy from a crowned Queen of Teen Quite a bit has changed for Scarlett Martin over the last month. And as for Scarlett's love life? Well ... the less said about that the better. That would be enough for anyone to deal with, but unfortunately two new figures are about to enter Scarlett's life: fifteen-year-old Broadway star Chelsea Biggs and her brother Max. Suddenly, drama appears to have spread over all of New York City. Gossip pages, boys standing in trashcans, an ill-fated cake, murder on the steps of a courthouse, flying doughnuts, topiary abuse, a dog named Murray who wees whenever he sees hats ... and then an event that will change the Martin family forever. One thing is for sure: there's never a dull moment at the Hopewell Hotel.
