Guy Crouchback, determined to get into the war, takes a commission in the Royal Corps of Halberdiers. His spirits high, he sees all the trimmings but none of the action. And his first campaign, an abortive affair on the West African coastline, ends with an escapade which seriously blots his Halberdier copybook. Men at Arms is the first book in Waugh's brilliant trilogy, Sword of Honour, which chronicles the fortunes of Guy Crouchback. The second and third volumes, Officers and Gentlemen and Unconditional Surrender, are also published in Penguin. Sword of Honour has recently been made into a television drama series, with screenplay by William Boyd. Between 1929 and 1935 Evelyn Waugh travelled widely and wrote four books about his experiences. In this collection he writes, with his customary wit and perception, about a cruise around the Mediterranean; a train trip from Djibouti to Abyssinia to attend Emperor Haile Selassie's coronation in 1930; his travels in Aden, Zanzibar, Kenya and the Congo, coping with unbearable heat and plagued by mosquitoes; a journey to Guyana and Brazil; and his return to Addis Ababa in 1935 to report on the war between Abyssinia and Italy. Waugh's adventures on his travels gave him the ideas for such classic novels as Scoop and Black Mischief. The third installment of Evelyn Waugh's Sword of Honor trilogy, called "the finest work of fiction in English to emerge from World War II" by The Atlantic. By 1941, after serving in North Africa and Crete, Guy Crouchback has lost his Halberdier idealism. A desk job in London gives him the chance of reconciliation with his former wife. Then, in Yugoslavia, as a liaison officer with the partisans, Crouch becomes finally and fully aware of the futility of a war he once saw in terms of honor. Unconditional Surrender is the third novel in Waugh's brilliant Sword of Honor trilogy recording the tumultuous wartime adventures of Guy Crouchback, which also comprises Men at Arms and Officers and Gentlemen. Charles Ryder, a lonely student at Oxford, is captivated by the outrageous and decadent Sebastian Flyte. Invited to Brideshead, Sebastian's magnificent family home, Charles welcomes the attentions of its eccentric, aristocratic inhabitants, gradually becoming

infatuated with them and the life of privilege they inhabit - in particular, with Sebastian's remote sister, Julia. But he gradually comes to recognize his spiritual and social distance from them, eventually discovering a world where duty and desire, faith and happiness are in conflict. This audio box set contains readings of three novels from the pen of Evelyn Waugh. The novels featured are 'Decline and Fall', 'Brideshead Revisited', and 'The Ordeal of Gilbert Pinfold'. Perhaps the funniest travel book ever written, Remote People begins with a vivid account of the coronation of Emperor Ras Tafari - Haile Selassie I, King of Kings - an event covered by Evelyn Waugh in 1930 as special correspondent for The Times. It continues with subsequent travels throughout Africa, where natives rub shoulders with eccentric expatriates, settlers with Arab traders and dignitaries with monks. Interspersed with these colourful tales are three 'nightmares' which describe the vexations of travel, including returning home. The first book in the author's trilogy about war, religion and politics focuses on Guy Crouchback, a 35-year old divorced Catholic, and Apthorpe, an eccentric African. Together they make quite a team. The sequel to Men at Arms finds Guy Crouchback, an English Catholic, training as a Commando in the Hebrides and then fighting in Crete. Guy Crouchback has lost his Halberdier idealism. A desk job in London gives him the chance of reconciliation with his former wife. Then, in Yugoslavia, as a liaison officer with the partisans, he finally becomes aware of the futility of a war he once saw in terms of honour. Travel writing. Waugh begins his story with heredity, writing of the energetic, literary and sometimes eccentric men and women who, unknown to themselves, contributed to his genius. Consisting of the novels Men at Arms, Officers and Gentleman, and Unconditional Surrender, this trilogy about World War II is largely based on Evelyn Waugh's own experiences as an army officer, and is the crowning achievement of his career. Its central character is Guy Crouchback, head of an ancient but decayed Catholic family, who at first discovers new purpose in the challenge to defend Christian values against Nazi barbarism, but then gradually finds the complexities and cruelties of war too much for him. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. Helena made the historic pilgrimage to Palestine, found pieces of wood from the true cross, and built churches at Bethlehem and Olivet. The first part of the Sword of Honour Trilogy, inspired by the author's experiences in World War II. Guy Crouchback, the youngest member of a declining British aristocratic family, is on self-imposed exile in Italy, ashamed of his failed marriage. When World War II breaks out, he sees a chance to turn his life around, and to combat the evils of modernity. As it

turns out, war is not so glamorous as he'd imagined, and he finds himself an officer in an old, stodgy regiment, surrounded by eccentric and buffoonish characters, like his friend Apthorpe, a career soldier with an exceedingly complicated past. Guy is determined to do right by himself, and by his Catholic faith, but circumstances will not make it easy. A "lavishly entertaining" (Publishers Weekly) distillation of Waugh's genius--abundant evidence that one of the twentieth century's most admired and enjoyed English novelists was also a master of the short form. Evelyn Waugh's short fiction reveals in miniaturized perfection the elements that made him the greatest satirist of the twentieth century. The stories collected here range from delightfully barbed portraits of the British upper classes to an alternative ending to Waugh's novel A Handful of Dust; from a "missing chapter" in the life of Charles Ryder, the nostalgic hero of Brideshead Revisited, to a plot-packed morality tale that Waugh composed at a very tender age; from an epistolary lark in the voice of "a young lady of leisure" to a darkly comic tale of scandal in a remote (and imaginary) African outpost. "Evelyn Waugh kept a diary almost continuously from the age of seven until a year before his death in 1966. Extracts from the diaries caused sensation when they were published by the 'Observer'. They are a unique literary document of 300,000 words which provide the background to the novels which made Waugh famous, and gives a continuously sharp and baleful view of the social history of our times. The Diaries throw new light not only on Waugh's work, but on the character of a puzzling, cantankerous and formidable man." --Publisher description. Put Out More Flags features the characters of Decline and Fall and Vile Bodies, and shows them adjusting to the changing social pattern of the 1940s. Whether celebrating Hogarth or savaging Hollywood, mocking modern manners or defending traditional English architecture, inviting readers to 'come inside' the Catholic Church or expressing his contempt for modish Marxism and American-style religion, Evelyn Waugh's journalism is sparkling, sometimes vitriolic and always full of good sense. In this wonderful selection he explores his Oxford youth, his unexpected conversion, his literary enthusiasms (from P. G. Wodehouse to Graham Greene) and the perils of basing fictional characters on real people. Decades after their publication, these pieces still retain their capacity to delight, to surprise and to shock. Corporal Carrot has been promoted! He's now in charge of the new recruits guarding Ankh-Morpork, Discworld's greatest city, from Barbarian Tribes, Miscellaneous Marauders, unlicensed Thieves, and such. It's a big job, particularly for an adopted dwarf. But an even bigger job awaits. An ancient document has just revealed that Ankh-Morpork, ruled for decades by Disorganized crime, has a secret sovereign! And his name is Carrot . . . And so begins the most awesome epic encounter of all time, or at least all afternoon, in which the fate of a city—indeed of the universe itself!—depends on a young man's courage, an ancient sword's magic, and a three-legged poodle's bladder. Nancy Mitford and Evelyn Waugh, two of the twentieth century's most amusing and gifted writers, matched wits and exchanged insults in more than five hundred letters, a continuous irreverent dialogue

that stretched for twenty-two years. Their delicious correspondence, much of it never published before (for fear of speaking ill of the living), provides colorful glimpses of both lives, testifies to their enduring but thorny friendship, and evokes the literary and social circles of London and Paris at midcentury. In their letters they sharpened their wits at the expense of friends and enemies alike, but with particular relish they dissected their friends, who included Harold Acton, Graham Greene, the Sitwells, Duff and Diana Cooper, Randolph Churchill, and their favorite butt, Cyril Connolly. Waugh's pessimistic brand of Roman Catholicism clashed with Mitford's cheerful iconoclasm; her francophilia only fueled her friend's dislike of all things French. He accused her of bad grammar and worse theology; she nailed him with snobbery and anti-Semitism. The three novels of Evelyn Waugh's Sword of Honor trilogy of war novels, called "the finest work of fiction in English to emerge from World War II" (The Atlantic), collected in one volume. This trilogy spanning World War II, based in part on Evelyn Waugh's own experiences as an army officer, is the author's surpassing achievement as a novelist. Its central character is Guy Crouchback, head of an ancient but decayed Catholic family, who at first discovers new purpose in the challenge to defend Christian values against Nazi barbarism, but then gradually finds the complexities and cruelties of war overwhelming. Though often somber, Sword of Honor is also a brilliant comedy, peopled by the fantastic figures so familiar from Waugh's early satires. The deepest pleasures these novels afford come from observing a great satiric writer employ his gifts with extraordinary subtlety, delicacy, and human feeling, for purposes that are ultimately anything but satiric. Sword of Honor comprises the three acclaimed novels Men at Arms, Officers and Gentlemen, and Unconditional Surrender. This is a frank and penetrating self-portrait, written by Evelyn Waugh. The novel began as a therapeutic exercise, suggested by a psychiatrist, and tells of a reclusive Catholic novelist suffering from acute inertia. The first volume of Evelyn Waugh's masterful trilogy about war, religion, and politics. A scholarly conference in a military dictatorship. What could go wrong? Scott-King is a schoolmaster's schoolmaster: quiet, measured, honest, and thoughtful. He is convinced to disrupt his quiet, consistent life in England to visit the totalitarian country of Neutralia, to participate in a conference on a poet who he has studied extensively. Unfortunately, it turns out that a dictatorship can be a dangerous place to be, and Scott-King must tread lightly – especially because he is without his passport, and no one from the British government knows that he's there. This study of the life and works of Evelyn Waugh traces the novelist's pursuit of his vocation and his long retreat from a world which he came to regard as a spiritual dungeon. Jeffrey Heath explores the paradoxical elements in Waugh's career: his quest for a refuge itself proved to be a prison and his devotion to the Augustan graces was accompanied by a lasting attraction to a Dionysiac age without restraint. The deep cleft in Waugh's nature imbued his art with the characteristic quirky complexity which has fascinated many readers, but it left him a choleric and melancholy man who never fully accepted his calling as a writer. Fictionalising his experience of service during the Second World War, Evelyn Waugh's Sword of Honour is the complete one-volume edition of his masterful trilogy, edited with an introduction by Angus Calder in Penguin Modern

Classics. Waugh's own unhappy experience of being a soldier is superbly re-enacted in this story of Guy Crouchback, a Catholic and a gentleman, commissioned into the Royal Corps of Halberdiers during the war years 1939-45. High comedy - in the company of Brigadier Ritchie-Hook or the denizens of Bellamy's Club - is only part of the shambles of Crouchback's war. When action comes in Crete and in Yugoslavia, he discovers not heroism, but humanity. Sword of Honour combines three volumes: Officers and Gentlemen, Men at Arms and Unconditional Surrender, which were originally published separately. Extensively revised by Waugh, they were published as the one-volume Sword of Honour in 1965, in the form in which Waugh himself wished them to be read. Evelyn Waugh (1903-66) was born in Hampstead, second son of Arthur Waugh, publisher and literary critic, and brother of Alec Waugh, the popular novelist. In 1928 he published his first work, a life of Dante Gabriel Rossetti, and his first novel, Decline and Fall, which was soon followed by Vile Bodies (1930), A Handful of Dust (1934) and Scoop (1938). In 1939 he was commissioned in the Royal Marines and later transferred to the Royal Horse Guards, serving in the Middle East and in Yugoslavia. In 1942 he published Put Out More Flags and then in 1945 Brideshead Revisited. Men at Arms (1952) was the first volume of 'The Sword of Honour' trilogy, and won the James Tait Black Memorial Prize; the other volumes, Officers and Gentlemen and Unconditional Surrender, followed in 1955 and 1961. If you enjoyed Sword of Honour, you might like Ford Madox Ford's Parade's End, also available in Penguin Modern Classics. 'Marvellous ... one of the masterpieces of the century' John Banville, Irish Times 'Unconditional Surrender' is a satire on the English class system. The writer takes a dig at the way the ruling class and their sense of entitlement, even when the country is in a global conflict, can plan through the bureaucracy to make their way into the far less dangerous and more comfortable theatres of war. Subtitled 'A Novel of Many Manners,' Evelyn Waugh's notorious first novel lays waste the "heathen idol" of British sportsmanship, the cultured perfection of Oxford, and the inviolable honor codes of the English gentleman. This trilogy spanning World War II, based in part on Evelyn Waugh's own experiences as an army officer, is the author's surpassing achievement as a novelist. Waugh brings some of his best characters back for another romp. Against the backdrop of the Phoney War, Alistair Trumington wants only the chance to fight for a worthy cause, but instead he finds himself stuck in a never-ending series of military maneuvers, getting him nowhere closer to any front. Meanwhile, the scoundrel Basil Seal sees the burgeoning war as an opportunity to help only himself.
