"Debbie Macomber's name on a book is a guarantee of warm-hearted, endearing romance that will captivate and charm her legions of readers." —Jayne Ann Krentz

"Miz Suzie's Boy" is a remarkable book about a Negro boy, born into abject poverty during the Great Depression to a teenage mother. Hardships of the depression included shooting crows for meals and keeping hand-me-down shoes together with string and newspaper. Negroes in the town of West Munden, a few miles south of Norfolk, cared deeply for each other. Poverty was pervasive and the "old folks" talked incessantly about becoming millionaires, but children were unaware of the degree of how badly things really were. Together, families banded together to combat blatant racism and rise above the negative impact of the Ku Klux Klan. His early home training fostered a love of God, Country, and Family. He was taught to work hard, practice thrift, speak honestly and with integrity, maintain his individuality, and relentlessly pursue an education. Childhood was a happy time for Herman and he spent many hours playing with relatives, neighborhood children and "make believe" toys. Flora moved to an adjoining community, South Norfolk, when he was eleven, and made new friends. He joined the Boy Scouts and strictly lived by the Scout Oath and its precepts. This later helped to keep him mentally awake and morally straight. Friendship (puppy love) for a classmate hastened his efforts to enter the U.S. Army, as an under-aged youth with the hope of finding her in the Philippines. Flora entered the Army, trained at Aberdeen, Maryland and cavorted with prostitutes and pimps whenever he was granted leave. He journeyed overseas on a troopship with fifteen hundred soldiers.

The boredom and tedium of the voyage was downplayed by the laughter, witty banter, and frequent exchange of incredible lies. Arriving overseas, he started his first job as a latrine orderly. Flora found the Army reasonably challenging, thrived, and became Acting First Sergeant of a medical detachment within months. Frequent interactions and frank discussions with long time career soldiers constantly reminded him of the need for a good education. He returned to Norfolk from the Army, finished his last year of high school and enrolled at Howard University. College was demanding of his mind and time during the week, and only the weekends were available for frolicking, football, fraternities, and girls. Beautiful young ladies consumed every spare moment until he identified and pursued "the one", a ministers' daughter. Together, they lovingly reared seven college educated, children. Herman pursued ownership of several businesses and finally decided to make his million dollars brokering real estate. He accepted an Executive Level position with the U.S. Department of Commerce, Office of Minority Business Enterprise (OMBE) where he patiently assisted national minority businesses with their growth and expansion. In a very poignant letter sent from Africa to his grandchildren and other grandchildren of the world he reflected on several world problems. encouraged them to diligently educate and prepare themselves for the next century and never lose sight of God, goals and a good life. She was a destitute woman whose life was dependent on others. She was forced to be a scapegoat and traded herself, which resulted in her pregnancy. He considered that she was the ultimate embodiment of evil as she was greed and deceitful. She tried all her efforts to win his heart but failed. Her departure made him so furious that he searched through the ends of the world and managed to recapture her. The whole city knew that she would be shredded into a million pieces. She asked him in desperation, "I left our marriage with nothing, so why won't you let me go?" In a domineering tone, he answered, "You've stolen my heart and given birth to my child, and you wish to escape from me?" Take a journey as the author reveals to you the realm of angels in existence since the creation of this world. The book is divided into several segments. 1. Archangel Anael tells the story of angels who choose to become embodied in order to help humans access their Divine gifts. 2. Angelic parables. 3. Contemplative Angelic Messages (Daily Bread) for journaling. 4. Eight stories of encounters with angels from various authors. 5. Channeled Angel messages from twelve Light-workers complete this book. This book is dedicated to help those who struggle to find balance in their lives. Angelic energy is the strength of unconditional love in order to empower the human race with the infinite gifts of the Divine. Morgana's path has led her to contact a world unseen and forgotten by modern humans to uncover a realm that has existed since the creation of this world. A Date With Death is a novel dealing with two former lovers whose relationships were embroiled in both lust and hate encounters after a one-night stand. Toto, a

former drug trafficker, turned over a new leaf and became a reborn Christian, contributing to the building of a new Church and setting up a legitimate tin manufacturing company. Molly Tam, an arms dealer with a dark secret past, had connections with the United States Senators, Congressmen and battleships' Commanders, contravened with shipments of military hardware from the States to the Tamil Tigers in Jaffna. Molly capitalized on the only asset she knew to procure favours from the top brass in the States and enlisted the Tamil Tigers to help her evil cause. Their interests conflicted and churned into hatred, resulting in a war when a subordinate of Toto was caught trafficking in heroin, a trap deliberately weaved by his ex-lover. A continuous chain of revenge from both camps leads to numerous deaths. The adventures take the players to far-flung places in South Africa and Texas, to those closer to home, including Thailand, Vietnam and the Philippines. One of Molly Tam's captives, a fortune teller who raped her, was satanically eliminated by Land Eating Piranhas, fondly termed The Black Widows, originating from the thick vegetations of Jaffna. From the riotous trauma of the town's darkest hours in 1919 to the tribulations at one of the UK's first salsa clubs, these stories explore the lives of Lutonians past and present. This is an eclectic look at a much-maligned corner of Bedfordshire, and beyond, with themes of travel, protest and identity. While some Lutonians have left and returned, eccentric Walter Greer remains embedded in his town of petrol and lace, searching for 'Snuff and Temperance' in streets where excess and piety still co-exist amongst the diversity of twenty-first century Britain. In the final, longer story, 'Homage to Far Cawley Knoll', the lives of disparate Lutonians we have already met, are plaited together in dramatic interplay, as we follow Eamonn Doherty's desperate plight set against the backdrop of the bitterly cold winter of 2013
