The Modern Errors Against the Destiny of Man Refuted from Reason Jul 04 2021 **Strange Fire** Dec 09 2021 In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. What would God say about those who blatantly

misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a "Christianity" without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its false prophets. Speaking out against their errors. Showing true reverence to the Holy Spirit. Clinging to the Bible as the inerrant, authoritative Word of

God and the one true standard by which all truth claims must be tested.

The Story of Scripture Feb 28 2021 An excellent primer for those who want to understand who the original writers of the Bible were, how the books of the Bible came together, how we can be sure that the Bible is authoritative, and what the differences are between modern translations. Author Robert Plummer writes with a warm style in an accessible "big questions" format.

The Diversity Style Guide Sep 25 2020 New diversity style guide helps journalists write with authority and accuracy about a complex, multicultural world A companion to the online resource of the same name, The Diversity Style Guide raises the consciousness of journalists who strive to be accurate. Based on studies, news reports and style guides, as well as interviews with more than 50 journalists and experts, it offers the best, most up-to-date advice on writing about underrepresented and often misrepresented groups. Addressing such thorny questions as whether the words Black and White should be capitalized when referring to race and which pronouns to use for people who don't identify as male or female, the book helps readers navigate the minefield of names, terms, labels and colloquialisms that come with living in a diverse society. The Diversity Style Guide comes in two parts. Part One offers enlightening chapters on Why is Diversity So

Important; Implicit Bias; Black Americans; Native People; Hispanics and Latinos; Asian Americans and Pacific Islanders; Arab Americans and Muslim Americans; Immigrants and Immigration; Gender Identity and Sexual Orientation; People with Disabilities; Gender Equality in the News Media; Mental Illness, Substance Abuse and Suicide; and Diversity and Inclusion in a Changing Industry. Part Two includes Diversity and Inclusion Activities and an A-Z Guide with more than 500 terms. This guide: Helps journalists, journalism students, and other media writers better understand the context behind hot-button words so they can report with confidence and sensitivity Explores the subtle and not-so-subtle ways that certain words can alienate a source or infuriate a reader Provides writers with an understanding that diversity in journalism is about accuracy and truth, not "political correctness." Brings together guidance from more than 20 organizations and style guides into a single handy reference book The Diversity Style Guide is first and foremost a guide for journalists, but it is also an important resource for journalism and writing instructors, as well as other media professionals. In addition, it will appeal to those in other fields looking to make informed choices in their word usage and their personal interactions.

Nothing But the Truth Oct 19 2022 First published in 1978, and in its fourth edition, Brian

Edwards deals with so much in relation to the Bible: revelation, authority, inspiration and inerrancy, Jesus' view of the Old Testament, the Old and New Testament canons, textual criticism, the history of different translations, and biblical accuracy. One chapter gives a helpful overview of pretty much every recent translation. There is a strong concluding exhortation to be a consistent Christ-centred, bible-centred evangelical. The author answers questions such as 'Who are the critics of the Bible and what are they saying?', 'What do we mean by Inspiration?', 'What does the Bible say about itself?', 'How sufficient and final is it?', 'Why have we just sixty-six books in the Bible?', 'How can we properly understand it?', 'When was it written and how did our English Bible come to us?', 'Where does archaeology reveal Bible accuracy?' and 'What about supposed errors/contradictions?' Brian Edwards answers critics and refutes supposed contradictions, clearly showing that it is perfectly logical to believe the Bible. This book will give any reader added confidence in God's Word! *The Forgotten Trinity* Jan 22 2023 While many of us struggle to understand it, the Trinity is one of the most important teachings of the Christian faith. It defines God's very essence and describes how he relates to us. And while it can be a difficult concept to get our heads around, it is crucial for believers to understand how God explains his triune nature

in his Word. In this book, James R. White offers a concise, understandable explanation of what the Trinity is and why it matters. While refuting the distortions of God presented by various cults, Dr. White shows how understanding this teaching leads to renewed worship and a deeper understanding of what it means to be a Christian. And amid today's emphasis on the renewing work of the Holy Spirit, *The Forgotten Trinity* is a balanced look at all three persons of the Trinity. May this book deepen your understanding of this important doctrine while also drawing you closer to the triune God himself.

The New Cambridge History of the Bible: Volume 4, From 1750 to the Present Dec 29 2020 This volume examines the Bible's role in the modern world - beginning with a treatment of its production and distribution that discusses publishers, printers, text critics, and translators and continuing with a presentation of new methods of studying the text that have emerged, including historical, literary, social-scientific, feminist, postcolonial, liberal, and fundamentalist readings. There is a full discussion of the changes in understandings of and approaches to the Bible in various faith communities. The dissemination of the Bible throughout the globe has also produced a host of new interpretations, and this volume provides a comprehensive geographical survey of its reception. In the final chapters, the authors offer

a thematic overview of the Bible in relation to literature, art, film, science, and other disciplines. They demonstrate that, in spite of challenges to the Bible's authority in western Europe, it remains highly relevant and influential, not least in the Americas, Africa, and Asia.

Nothing But the Truth Nov 08 2021 The inspiration, authority and history of the Bible explained This book answers questions such as 'Who are the critics of the Bible and what are they saying?', 'What do we mean by Inspiration?', 'What does the Bible say about itself?', 'How sufficient and final is it?', 'Why have we just sixty-six books in the Bible?', 'How can we properly understand it?', 'When was it written and how did our English Bible come to us?', 'Where does archaeology reveal Bible accuracy?' and 'What about supposed errors/contradictions?'

An Authentic Account of our Authorized Translation of the Holy Bible, and of the translators: with testimonies to the excellence of the translation ... Second edition Jun 15 2022

Doctrine in Shades of Green Oct 15 2019 How we come to our conclusions about ethical

issues matters as much as the specific policies or practices we commend. This book argues that four key doctrines form a theological perspective for environmental ethics. They are the key ideas upon which people build their ethics of the environment. By looking at the doctrines of revelation, creation, anthropology, and eschatology, we can find points of contact to work together more effectively for the common good and have more meaningful debates when our positions differ. This book uses examples from four different theological positions—ecotheology, theological liberalism, fundamentalism, and evangelicalism—to show that a creation-positive ethic is possible from all of these positions, and it explores why people who stand within various theological streams may engage in environmental issues in diverse ways.

Fallen Languages Sep 06 2021 Traces the importance of theology to the crisis of representation in English natural philosophy as documented by the writings of Robert Boyle, Isaac Newton, and their contemporaries. Finds that the tension between observed experimental phenomena and established religious and political thought led them to devise innovative theories. Annotation copyright by Book News, Inc., Portland, OR

Infallibility and Interpretation Oct 07 2021 The authors argue for infallibility from a distinctly presuppositional perspective. That is, their arguments are

unapologetically circular because they believe all ultimate claims are based on one's beginning assumptions. The question of Biblical infallibility rests ultimately in one's belief about the character of God. They believe man is a creature of faith, not, following the lightenment's humanism, of reason. They affirm Biblical infallibility because the God Whom the Bible reveals could speak in no other way than infallibly, and because the Bible in which God is revealed asserts that God alone speaks infallibly. Men deny infallibility to God not for intellectual reasons, but for ethical reasons - they are sinners in rebellion against God and His authority in favor of their own. The authors wrote convinced that only by a recovery of faith in an infallible Bible and obedience to its every command can Christians hope to turn back evil both in today's church and culture.

Divine Truth Or Human Tradition? Nov 15 2019 In Divine Truth or Human Tradition? the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists; including popular author and debater Dr. James R. White (author of The Forgotten Trinity), John MacArthur (President of The Master's Seminary), Wayne Grudem (author of the widely-read Systematic Theology), Robert Bowman Jr. (author of Why You Should Believe in the Trinity), Robert Morey (Founder of California Biblical University and Seminary and author of The Trinity, Evidence

and Issues), R. C. Sproul (President of Ligonier Ministries), Robert L. Reymond (author of Jesus, Divine Messiah and A New Systematic Theology of the Christian Faith), and others. According to what has long been considered mainstream Christian "orthodoxy," the doctrine of the Trinity (the idea that the one true God is-in the ultimate sense-a divine being made up of three co-equal and co-eternal persons) is not only central to the Christian faith, but absolutely necessary for one to accept in order to be counted as a true Christian and be saved. Such a demand on a Christian's faith has come across as strange and perplexing to many, especially so in light of the fact pointed out by one respected Trinitarian: "[The Trinity] is not clearly or explicitly taught anywhere in Scripture, yet it is widely regarded as a central doctrine, indispensable to the Christian faith. In this regard, it goes contrary to what is virtually an axiom [that is, a given, a self-evident truth] of biblical doctrine, namely, that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church." (Millard J. Erickson, God in Three Persons, p. 11. Emphasis added) Understandably, this fact has raised questions in the minds of Christians and truth-seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century. Many Christians have wondered: How can a doctrine that is no

Essential Church History Dec 17 2019 Essential Church History is an interesting, informative, and consistently readable narrative of the church. It brings to life central people and dramatic events that shaped the Christian religion-including the formation of the canon, the Arian controversy, the Crusades, and the Reformation period. Adam Murrell skillfully shows how the Bible, the believer's ultimate authority, must remain at the forefront in order for the church to be guided into truth. When that authority is abandoned or forsaken, however, the consequences are always devastating, as witnessed in the errors of Arianism, Pelagianism, holy wars, the moral bankruptcy of the medieval church, and liberal Protestantism. Essential Church History will serve as a fascinating introduction to the panoramic history of Christianity, all the while providing biblical truths for students and teachers of church history, for pastors, and for general readers.

The Enduring Authority of the Christian Scriptures Aug 05 2021 In this volume, thirty-seven first-rate evangelical scholars present a thorough study of biblical authority and a full range of issues connected to it. Recognizing that Scripture and its authority are now being both challenged and defended with renewed vigor, editor D.A. Carson assigned the topics that these select scholars address in the book. After an introduction by Carson to the many facets of the current discussion, the

contributors present robust essays on relevant historical, biblical, theological, philosophical, epistemological, and comparative-religions topics. To conclude, Carson answers a number of frequently asked questions about the nature of Scripture, cross-referencing these FAQs to the preceding chapters. This comprehensive volume by a team of recognized experts will be the go-to reference on the nature and authority of the Bible for years to come. -- Amazon

[A Doubter's Guide to the Bible](#)

Aug 17 2022 Is the Bible still an authoritative guide? Television documentaries regularly explore the "mysteries of the Bible" and question whether its stories can be supported by historical facts. A multitude of people claim the Bible's authority for their own, often competing, agendas. And for many, the church has lost credibility in light of various scandals and failures. Is it any wonder, then, that a growing number of folks doubt whether the Bible is a legitimate source of religious authority, much less the word of God? In *A Doubter's Guide to the Bible*, Terry Giles asks the hard questions that skeptics have about the Bible. Affirming the legitimacy of doubt in light of such questions, Giles invites us to walk with him as he explores issues such as the Bible's origins, violence in the Bible and in the modern world, and the degree to which the Bible has been used as propaganda to justify particular ends. Never ignoring the doubts that may still remain,

Giles suggests that the Bible's power arises from its ability to open up a space where we can meet God, who confronts us amidst all the messiness of our humanity. Whether we've never considered these questions before--and especially if we have--*A Doubter's Guide to the Bible* is an essential companion on our spiritual journey.

The Westminster Handbook to Evangelical Theology Nov 20 2022 The Westminster Handbook to Evangelical Theology is a comprehensive critical survey of the main persons, events, controversies, concepts, and institutions of twentieth-century evangelical theology. It will introduce readers to and be a reference work for the study of evangelicalism's distinctive theological vision in its unity and diversity. Roger Olson explores evangelical theology through five lenses: *The Story of Evangelical Theology*, *Movements and Organizations Related to Evangelical Theology*, *Key Figures in Evangelical Theology*, *Traditional Doctrines in Evangelical Theology*, and *Issues in Evangelical Theology*. The Westminster Handbook to Christian Theology series provides a set of resources for the study of historic and contemporary theological movements and Christian theologians. These books are intended to help students and scholars find concise and accurate treatments of important theological terms.

Book 14 Mysticism PB May 02 2021

In Defense of the Bible: A Comprehensive Apologetic

for the Authority of Scripture Sep 18 2022 In *Defense of the Bible* gathers exceptional articles by accomplished scholars (Paul Copan, William A. Dembski, Mary Jo Sharp, Darrell L. Bock, etc.), addressing and responding to all of the major contemporary challenges to the divine inspiration and authority of Scripture. The book begins by looking at philosophical and methodological challenges to the Bible—questions about whether or not it is logically possible for God to communicate verbally with human beings; what it means to say the Bible is true in response to postmodern concerns about the nature of truth; defending the clarity of Scripture against historical skepticism and relativism. Contributors also explore textual and historical challenges—charges made by Muslims, Mormons, and skeptics that the Bible has been corrupted beyond repair; questions about the authorship of certain biblical books; allegations that the Bible borrows from pagan myths; the historical reliability of the Old and New Testaments. Final chapters take on ethical, scientific, and theological challenges— demonstrating the Bible's moral integrity regarding the topics of slavery and sexism; harmonizing exegetical and theological conclusions with the findings of science; addressing accusations that the Christian canon is the result of political and theological manipulation; ultimately defending the Bible as not simply historically

reliable and consistent, but in fact the Word of God.

The God Who Justifies Apr 01 2021 A Comprehensive Study of the Doctrine of Justification The history of the Christian church pivots on the doctrine of justification by faith. Once the core of the Reformation, the church today often ignores or misunderstands this foundational doctrine.

Theologian James White calls believers to a fresh appreciation of, understand of, and dedication to the great doctrine of justification and then provides an exegesis of the key Scripture texts on this theme.

A Vindication of the Divine Authority and Inspired Accuracy of the Mosaic Cosmogony and Scriptural Philosophy Generally; Insisting on the Positive and Implacable Antagonism Between Modern Science & the Bible and the Insufficiency of the Laws of Nature May 14 2022

The Remarkable Record of Job Mar 12 2022 Far from being an engaging fable, the account of Job in the bible is one of the most historically and scientifically accurate records of the ancient world. Perhaps the oldest book in the Bible, the book of Job touches on many subjects of science and history. This commentary on the controversial Book of Job is very different from most of the seminary and church teachings so prevalent today, for it attests to the historicity of a man named Job who understood at the end of his life that God cannot be figured

out,? but He can most certainly be trusted.

Jesus "The Way, the Truth and the Life" Feb 17 2020 "Jesus - The Way, The Truth and The Life" will prove that Jesus is the only Way to God, the very embodiment of all Truth and the very essence of Life, just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying, "I am the way, the truth, and the life and that no one comes to the Father except through Me." This book will show using systematic theology, proofs and truth arguments that Jesus is exactly who He says He is, confirmed by God the Father, the Holy Spirit and by Christ Himself. Jesus said in Mark 8; 27 of scripture "Who do you say I Am." This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that "You are the Christ, the Son of the Living God." Time is getting short and Jesus is on His way back to earth. It's not a time to be confused or wrong on issues having eternal consequences. Though the book reads as a college textbook it forces you to think and study the word of God. The book is most valuable in a curriculum setting or for those interested in Christian apologetics. Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way, truth and the life and all others are false. This book stands on the foundation that a relationship with God thru Christ is by faith alone (Sola Fide), by grace

alone (Sola Gratia), by Christ alone (Solus Christus), by scripture alone (Sola Scriptura) and with glory to God alone (Soli Deo Gloria). Dr. Ronald N. Bish, ThD. received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering. For further information contact www.ronaldbish.com.

Searching for Noah's Ark Jun 22 2020 Join the Quest to Find Noah's Ark Noah's Ark played a leading role in the book of Genesis, but after safely carrying its passengers through the Flood, the Ark disappears from the pages of the Bible. What happened to it? Join Dr. John Morris on the adventure to find the Ark on the icy slopes of Mt. Ararat, where Genesis says it came to rest after many months of violent storm and destruction. You will learn how the existence of the Ark offers evidence of creation what the flood and Ark can teach you about God's character how to respond to claims that the story of the Flood is just a myth. Chronicling more than 45 years of personal accounts and offering geological, historical, and biblical evidence of the Flood, *Searching for Noah's Ark* will inspire you to take confidence in the Bible's historical accounts and its trustworthiness to us today.

An Introduction to the Medieval Bible Mar 20 2020 An accessible account of the Bible in the Middle Ages that traces the formation of the medieval canon.

Women, Theology and

Evangelical Children's Literature, 1780-1900 Apr 13 2022 This book provides a wealth of fascinating information about many significant and lesser-known nineteenth-century Christian authors, mostly women, who were motivated to write material specifically for children's spiritual edification because of their personal faith. It explores three prevalent theological and controversial doctrines of the period, namely Soteriology, Biblical Authority and Eschatology, in relation to children's specifically engendered Christian literature. It traces the ecclesiastical networks and affiliations across the theological spectrum of Evangelical authors, publishers, theologians, clergy and scholars of the period. An unprecedented deluge of Evangelical literature was produced for millions of Sunday School children in the nineteenth century, resulting in one of its most prolific and profitable forms of publishing. It expanded into a vast industry whose magnitude, scope and scale is discussed throughout this book. Rather than dismissing Evangelical children's literature as simplistic, formulaic, moral didacticism, this book argues that, in attempting to convert the mass reading public, nineteenth-century authors and publishers developed a complex, highly competitive genre of children's literature to promote their particular theologies, faith and churchmanships, and to ultimately save the nation.

Obscure No More Oct 27 2020 Jael. Adonijah. Amos. Deborah. Not the larger-than-life Bible heroes who are so well known. Some of these characters are even . . . obscure. Yet God preserved their stories for a reason. In *Obscure No More*, you'll discover the significance of ten often-overlooked characters by seeing how they connect to your story today. Take a look at your world through the lens of their lives, and then take the next step to make your life story—obscure or not—meaningful for God! Each chapter weaves together a lesser-known story from Scripture with contemporary narrative and uses a four-day inductive Bible study method for a deep look at Scripture: • Read 8 lesser-known historical accounts • Relate to the culture and context of God's Word • Reflect on these characters' lives so you can live out God's principles • Remember the lessons through simple memorization and compelling narrative

Questions about the Bible Jan 18 2020 There has never been another book like the Bible. And there never will be. Only the Word of God is "living and enduring" (1 Peter 1:23) and is more precious "than much pure gold" (Psalm 19:10). Only the Bible is "God-breathed" (2 Timothy 3:16). Being divinely inspired, the Holy Bible deserves our full attention, reverent study, and diligent application. God has spoken, and His words have been written down, preserved, and translated for our eternal benefit. The Bible answers life's most important questions,

but it also raises questions from many quarters. From the skeptic: "Why should I take stories of miracles literally?" From pastors: "What is the difference between exegesis and eisegesis?" From the neophyte: "Where is a good place to start reading the Bible?" From the merely curious: "What is a shekel?" Got Questions Ministries has been answering questions about the Bible since 2002. In this book are one hundred of those questions and their Bible-based answers. May you find this volume helpful in understanding the Book, and may you "do your best to present yourself to God as one approved, a workman ... who correctly handles the word of truth" (2 Timothy 2:15).

Reasoning from the Scriptures with Masons Nov 27 2020 Did you know that: The name of Jesus is removed from Masonic rituals to avoid offending anyone? The "secret" name of Masonry's god specifically includes Jehovah, Baal, and Osiris? Many people are unaware of the far-reaching impact the Masonic Lodge has today. Ron provides accurate information on the structure and beliefs of Masonry, then carefully contrasts its practices with Scripture. Continuing the easy-to-follow question-and-answer format of the Reasoning from the Scriptures series, this informative guide reveals the occultic symbolism, secret oaths, and hidden rituals that are an integral part of Masonic tradition. Readers will discover honest, fact-based insights on the dangers of this fraternal order and specific

suggestions for sharing biblical truth with Masons.
Canon Revisited Jul 16 2022
Given the popular-level conversations on phenomena like the Gospel of Thomas and Bart Ehrman's Misquoting Jesus, as well as the current gap in evangelical scholarship on the origins of the New Testament, Michael Kruger's *Canon Revisited* meets a significant need for an up-to-date work on canon by addressing recent developments in the field. He presents an academically rigorous yet accessible study of the New Testament canon that looks deeper than the traditional surveys of councils and creeds, mining the text itself for direction in understanding what the original authors and audiences believed the canon to be. *Canon Revisited* provides an evangelical introduction to the New Testament canon that can be used in seminary and college classrooms, and read by pastors and educated lay leaders alike. In contrast to the prior volumes on canon, this volume distinguishes itself by placing a substantial focus on the theology of canon as the context within which the historical evidence is evaluated and assessed. Rather than simply discussing the history of canon—rehashing the Patristic data yet again—Kruger develops a strong theological framework for affirming and authenticating the canon as authoritative. In effect, this work successfully unites both the theology and the historical development of the canon, ultimately serving as a

practical defense for the authority of the New Testament books.

A Vindication of the Divine Authority and Inspired Accuracy of the Mosaic Cosmogony and Scriptural Philosophy Generally Insisting on the Positive and Implacable Antagonism Between Modern Science & the Bible and the Insufficiency of the Laws of Nature Dec 21 2022

The Signature of God Feb 11 2022 Startling new evidence from prophecy, archeology and science prove the Bible's inspiration, according to author Grant Jeffrey. Sinai Rock Inscriptions describe the Exodus. Mysterious Hebrew codes reveal Hitler, Sadat and Jesus.

Systematic Theology Aug 25 2020 The Christian church has a long tradition of systematic theology, that is, of studying biblical teaching on centrally important doctrines such as the Word of God, redemption, and Jesus Christ. Wayne Grudem's bestselling *Systematic Theology* has several distinctive features: A strong emphasis on the scriptural basis for each doctrine Clear writing, with technical terms kept to a minimum A contemporary approach, treating subjects of special interest to the church today A friendly tone, appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross-reference subjects to a wide range of other systematic theologies.

The Roman Catholic Controversy Jun 03 2021 More than at any time in the past, Roman Catholics & evangelicals are working together. They are standing shoulder to shoulder against social evils. They are joining across denominational boundaries in renewal movements. And many evangelicals are finding the history, tradition, and grandeur of the Roman Catholic Church appealing. This newfound rapport has caused many evangelical leaders and laypeople to question the age-old disagreements that have divided Protestants and Catholics: Aren't we all saying the same thing in different language? The Roman Catholic Controversy is an absorbing look at current views of tradition and Scripture, the Papacy, the Mass, Purgatory, indulgences, and Marian doctrine. James White affirms that evangelicals and Catholics share common ground on some points. Yet there are crucial differences that remain regarding the Christian life--and the heart of the Gospel itself--that cannot be ignored.
Scripture Alone Feb 23 2023 A denial of the sufficiency of Scripture is at the core of almost every form of opposition to the Christian faith today. *Scripture Alone* is written to instill a passionate love for and understanding of the Bible. In this defense of God's inspired Word, readers will comprehend what "God's Word" is, the nature of Scripture, the relationship of the Bible to tradition, how to apply Scripture to today's issues, and

much more. Included is a faith-inspiring study of the canon--what it is and where it came from.

America's Pastor Apr 20 2020
More than a conventional biography, Grant Wacker's interpretive study deepens our

understanding of why Billy Graham has mattered so much to so many, and how his uncanny ability to appropriate trends in the wider culture allowed him to transform his born-again theology into a moral vocabulary capturing the

aspirations and fears of average Americans.
Practical Christian Theology
Jan 10 2022 (4th edition) "One of the best outlined, one-volume books on theology in print." —Dr. Harold L. Wilmington, Liberty University
