Volume 1: Crime 2017 Apr

17 2022 *Blackstone's Police Manuals 2017*, endorsed by the

College of Policing, are the only official study guides for the NPPF Step Two Legal Examination (formerly OSPRERG Part I).

Straightforward and accessible, *Blackstone's Police Manuals* are the only resource used by question writers when preparing a NPPF Step Two Legal Examination and each of the four volumes forms part of the only comprehensive version of the 2017 syllabus.

Blackstone's Police Manual Volume 1: Crime 2017 covers areas including Homicide, Sexual Offences, Fraud, State of Mind, and Non-Fatal Offences Against the Person.

For complex or commonly misunderstood areas, there are handy Keynote boxes, which point to relevant case law or provide an example of how material is used in a practical sense, helping you to establish the connections between legislation and police procedure. The 2017 edition has been updated to incorporate all recent legislative developments and case law, including coverage of

the Modern Slavery Act 2015, the Anti-social Behaviour, Crime and Policing Act 2014 and the Criminal Procedure Rules 2015, as well as revised material covering State of Mind and Criminal Conduct, and a revised chapter on Theft and Related Offences. Also available in the series are: Volume 2: Evidence and Procedure 2017, Volume 3: Road Policing 2017, and Volume 4: General Police Duties 2017. Blackstone's Police Manuals are also available as part of our online Blackstone's Police Manuals and Q&As service: <http://www.blackstonespolice.com>

Roadcraft Sep 29 2020

Roadcraft is the official Police Driver's Handbook, approved by the Association of Chief Police Officers, and is used by the police service to train police drivers, but it is useful for any driver wishing to improve their skills and safety to a more advanced level. *Roadcraft* aims to help people become better drivers by increasing awareness of all factors that affect driving, such

as the capability of the driver, characteristics of the vehicle, and road and traffic conditions. This new edition has been prepared in close consultation with a working group of senior police driving instructors and other police and civilian advance driver training experts. It has been updated to reflect recent changes in the legislative framework surrounding driving and emergency response driving and new methodologies in teaching safe driving. It now also incorporates information on automotive engineering advances such as ABS and SatNav devices and their effect on driving. A new chapter has been added to teach drivers the physical and psychological aspects of driving and how to develop mental skills to become a better driver.

Policing Scotland May 26 2020 This is the first modern book on policing in Scotland and aims to provide an up-to-date and authoritative account of recent developments, taking full account of the impact of devolution and the work of the Scottish assembly. A concern throughout is to look at Scottish policing within a broader UK and comparative context, assessing both

differences and similarities with policing south of the border. Contributors to the book are drawn from both academics and practitioners and include chapters on the history and development of policing in Scotland, its structure and organisation, Scottish devolution and policing, the role of policing within the wider Scottish criminal justice system, crime and policing, community policing in Scotland, policing drugs, policing and youth justice, human rights legislation and Scottish policing, and the management of Scottish policing.

Blackstone's Police Manuals are the leading police reference texts in the UK. In addition to being the only official study guides for the police promotion examinations

in England and Wales, and a recognized text for student police officers, the Manuals have quickly established themselves as the definitive reference sources for all who have involvement with police law and procedure.

Road Policing 2016 Jul 08 2021 Blackstone's Police Manuals 2016, endorsed by the College of Policing, are the only official study guides for the NPPF Step Two Legal Examination (formerly OSPREMG Part I).

Straightforward and accessible, Blackstone's Police Manuals are the only resource used by question writers when preparing a NPPF Step Two Legal Examination and each of the four volumes forms part of the only comprehensive version of the 2016 syllabus.

Blackstone's Police Manual Volume 3: Road Policing 2016 covers areas including Accidents and Collisions, Drink, Drugs and Driving, Insurance, and Classifications and Concepts. For complex or commonly misunderstood areas, there are handy Keynote boxes, which point to relevant

case law or provide an example of how material is used in a practical sense, helping you to establish the connections between legislation and police procedure. The 2016 edition has been updated to incorporate all recent legislative developments and case law, including the Criminal Justice and Courts Act 2015, updates under the Road Traffic Act 1988 covering seatbelts, the Drug Driving (Specified Limits) (England and Wales) Regulations 2014, and a completely revised chapter covering the construction and use of road vehicles. Also available in the series are: Volume 1: Crime 2016, Volume 2: Evidence and Procedure 2016, and Volume 4: General Police Duties 2016.
