The Sci-Fi masterpiece by Moebius and Jodorowsky about the tribulations of the shabby

detective John Difoole as he searches for the precious and coveted Incal. Visionary storyteller, Jodorowsky, concludes the epic Incal saga he created with the late Moebius over 30 years ago. This volume finishes the spiritual space adventures of everyman, John DiFool, as he and his compatriots try to save the universe. This book concludes the six-volume luxury coffee table edition series of the original Incal saga, following directly on from *The Fifth Essence: Part One: The Dreaming Galaxy*. The third installation of *The Jodorowsky Library*: a collection of deluxe matching volumes showcasing the iconic works of the legendary Alejandro Jodorowsky. Included in this volume are Jodorowsky and Ladrón's epic finale to the internationally bestselling sci-fi epic, *FINAL INCAL* as well as the inspiration behind it: Moebius' final adventure with John Difoole, *AFTER THE INCAL*; *METABARONS GENESIS: CASTAKA*, the epic origin of the universe's

greatest warriors; *WEAPONS OF THE METABARON* (illustrated by the legendary Travis Charest and Zoran Janjetov), revealing how No Name, the most ruthless mercenary of them all, built his arsenal of war; and a selection of *SHORT STORIES*. The adventures of a young John Difoole before he became the most famous Sci-Fi anti-hero. We are instantly plunged back into the unique atmosphere of "The Incal," as we witness John Difoole's search for his identity and his origins, his first meeting with Deepo, and the appearance of many of the series' key characters, such as the Metabaron or Diavaloo. The Sci-Fi masterpiece by Moebius and Jodorowsky about the tribulations of the shabby detective John Difoole as he searches for the precious and coveted Incal. The Complete adventures of John Difoole continue as the investigation into the mysterious birth rate in the Red Ring continues. In this volume, John stumbles across several overwhelming obstacles including the

involvement of the Prez, the robocops, and the Techno pope in a grand conspiracy, becoming a professional detective and falling in love. If all of this wasn't enough, this volume of the series also features tons of actions and the deaths of several characters. A must-read chapter in one of the most acclaimed sci-fi stories in the world. The Sci-Fi masterpiece by Moebius and Jodorowsky about the tribulations of the shabby detective John Difoole as he searches for the precious and coveted Incal. The adventures of a young John Difoole before he became the most famous Sci-Fi anti-hero. A healing path using the power of dreams, theater, poetry, and shamanism

- Shows how psychological realizations can cause true transformation when manifested by concrete poetic acts
- Includes many examples of the surreal but successful actions Jodorowsky has prescribed to those seeking his help

While living in Mexico, Alejandro Jodorowsky became familiar with the colorful and effective cures provided by folk healers. He realized that it is easier for the unconscious to understand the language of dreams than that of rationality. Illness can even be seen as a physical dream that reveals

unresolved emotional and psychological problems. Psychomagic presents the shamanic and genealogical principles Jodorowsky discovered to create a healing therapy that could use the powers of dreams, art, and theater to empower individuals to heal wounds that in some cases had traveled through generations. The concrete and often surreal poetic actions Jodorowsky employs are part of an elaborate strategy intended to break apart the dysfunctional persona with whom the patient identifies in order to connect with a deeper self. That is when true transformation can manifest. For a young man who complained that he lived only in his head and was unable to grab hold of reality and advance toward the financial autonomy he desired, Jodorowsky gave the prescription to paste two gold coins to the soles of his shoes so that all day he would be walking on gold. A judge whose vanity was ruling his every move was given the task of

dressing like a tramp and begging outside one of the fashionable restaurants he loved to frequent while pulling glass doll eyes out of his pockets. The lesson for him was that if a tramp can fill his pockets with eyeballs, then they must be of no value, and thus the eyes of others should have no bearing on who you are and what you do. Taking his patients directly at their words, Jodorowsky takes the same elements associated with a negative emotional charge and recasts them in an action that will make them positive and enable them to pay the psychological debts hindering their lives. The adventures of a young John Difool before he became the most famous Sci-Fi anti-hero. Visionary author, filmmaker, and philosopher Alejandro Jodorowsky has created — along with some of the world's most singular and talented sequential artists — an incredible Sci-Fi universe, full of love, revenge, intrigue, betrayal, and redemption: THE JODOVERSE. The Jodoverse's two cornerstone series are The

Incal and The Metabarons, which together have sold over 5 million copies worldwide. This deluxe box set (two oversized books in one deluxe slipcase box) will be limited at 1500 numbered copies. Book 1 will contain the reference guide on The Incal, Deconstructing the Incal, which lifts the veil on many of the mysteries and secrets surrounding the seminal science-fiction graphic novel. This encyclopedic reference book is packed with fascinating insights from the creators, Jodorowsky and Moebius, alongside revealing text and rare and unseen preliminary illustrations. The book will also contain the original 56 pages drawn by Moebius of the unfinished first version of the sequel story (After The Incal). Book 2 will feature the second reference guide to the Jodoverse, Deconstructing the Metabarons, focused on unveiling the secrets of the universe's fiercest warrior clan: the Metabarons. Book 2 will also include Weapons of the Metabarons, the seminal

series' spin-off story recounting how the mightiest warrior in the universe built his arsenal of war and featuring A-list comics star Travis Charest's (Wildcats, WildC.A.T.s/X-Men: The Golden Age, and Star Wars comics covers) interpretation of The Metabarons' mythology. This Oversized Deluxe Edition is a treasure both for fans of this best-selling science fiction work and for art collectors alike. Its unique, streamlined design offers a luxury, cloth-bound hardcover of The Incal with gold-foil debossing, as well as a portfolio with two lithograph prints showcasing John Difoole's iconic plummet down Suicide Alley in both color and black and white, highlighting Mœbius' exceptional linework—all housed inside a gorgeous slipcase with never-before-used cover art. Jodorowsky and Mœbius's internationally bestselling Sci-Fi saga THE INCAL comes to its phenomenal finale! The job of the skin is to keep things in... On the buttoned-down island of Here, all is well. By which we mean: orderly, neat, contained and, moreover, beardless. Or at least it is until one famous day, when Dave,

bald but for a single hair, finds himself assailed by a terrifying, unstoppable...monster*! Where did it come from? How should the islanders deal with it? And what, most importantly, are they going to do with Dave? The first book from a new leading light of UK comics, *The Gigantic Beard That Was Evil* is an off-beat fable worthy of Roald Dahl. It is about life, death and the meaning of beards. (*We mean a gigantic beard, basically.) Imagine a flat world, sitting on the backs of four elephants, who hurtle through space balanced on a giant turtle. The Discworld is a place (and a time) parallel to our own - but also very different. That is the setting for Terry Pratchett's phenomenally successful Discworld series, which now celebrates its 25th anniversary. The Discworld Graphic Novels presents the very first two volumes of this much-loved series in graphic novel form. First published fifteen years ago, these fully illustrated versions are now issued for the first time in hardback. Introduced here are

the bizarre misadventures of Twoflower, the Discworld's first ever tourist, and possibly - portentously - its last, and his guide Rincewind, the spectacularly inept wizard. Not to mention the Luggage, which has a mind of its own. Working closely with Moebius Productions in France, Dark Horse is putting the work of a master storyteller back in print--with some material in English for the first time! Stel and Atan are interstellar investigators trying to find a lost space station and its crew. When they discover the mythical paradise planet Edena, their lives are changed forever. The long out-of-print Edena Cycle from Moebius gets a deluxe hardcover treatment! Moebius's World of Edena story arc is comprised of five chapters--Upon a Star, Gardens of Edena, The Goddess, Stel, and Sra--which are all collected here. A storyboard artist and designer (Alien, Tron, The Fifth Element, among many others) as well as comic book master, Moebius's work has influenced creators in countless fields.

“Moebius is a master draftsman, a superb artist, and more—his vision is original and strong.” —George Lucas In a shocking and explosive prequel to the legendary and best-selling INCAL saga, prepare to enter...the Psychoverse.
